

The 2011 CPSA South-East Regional Inter-Counties DTL Championship

Sunday 31st July 2011

It was a glorious sunny day and once again we were the hosts of this popular, Annual Down-The-Line Championship event.

It was a long day with nearly 100 shooters taking part, many thanks must go to the Club Manager - Pete Rogers - and his team, whose tireless efforts and excellent preparation meant that everything ran very smoothly out on the ranges, to Austin for servicing the Traps and standing by all day just in case they went wrong and to the 3 Referees (Vic Jones, Dave Toomer and Mick Abrams) who all did a superb job. Also to Joan Read and her sidekick Dave Goddard for doing all the paperwork. Last but by no means least, to the Catering Staff who provided an excellent service, keeping everybody fed and watered with a smile, under very busy conditions and especially Maria for keeping the Clubhouse spick and span both inside and out. Well done to you all.
