## **WE'VE GOT IT COVERED !**

### **PETE DOES IT AGAIN!**

After many meetings, over several months with the NRA and with the kind co-operation of Barry Desborough, NCSC Manager; Pete Rogers in his own time has obtained permission to cover 'C' Layout.

In an effort to move the project forward, several members have made interest free loans to the club, which has enabled the

covers to be ordered (overall cost between £8000 and £9000) and as of today erected for the benefit of the members.

We have to arrange for a metre deep pelmet to be fitted, once this has been done the cover will be complete.

Any members wishing to make a small contribution towards the cost of the new covers should approach one of the committee with their donation.

### **OTHER NEWS**

It is with regret that we have to report the death of Jack Woodford's daughter, Sally Joanne whose funeral was on the 9th of April 2010. On behalf of the members we have sent a cheque for £25 to the Florence Nightingale Hospice in her memory.
